If you are a political action committee or a ballot question committee, you must include a concise statement of your purpose and goals.

Statement of Purpose and Goals:

Because initiatives that are placed on the ballot often propose laws that would be detrimental to South Dakota's business climate, the SD Chamber Ballot Action Committee is organized as an ongoing ballot question. This ballot question committee is designed to provide an avenue for chamber members and the general business community to support or oppose various initiatives and do so in a manner that meets the requirements for openness and the reporting of contributions as required by election laws.

If you are a political action committee or a ballot question committee, you must list the full name, street address, and postal address of the organization with which the committee is connected or affiliated, or if the committee is not connected or affiliated with any one organization, the trade, profession, or primary interest of the committee.
